This Return is a return of the Patrons of the Poor in respect of which accounts had been received, but no accounts had been sent by the Patrons and the Poor Law Commissioners prior to the 31st March 1904.

Notes:—The figures in this column, "Expenditure in the Month 1904," represent the actual expenditure made in the last month (exclusive of sums applied to, or received by, the Poor Law Commissioners in 1904, for 1904). The total sums of money for the year 1904, for the Poor Law Commissioners for 1904, are not yet received in payment under the terms of their contract. In the next return and following years the sum of expenditure will necessarily be as great, or will probably exceed, the number of actual expenditures anticipated by the Act.
